NATURE'S FRUIT
in CHOCOLATE

AS NATURE INTENDED FRUIT TO BE!

At only 90 calories a serving, nature's premium fruits are freshly frozen, double immersed in white & then dark or milk chocolate and uniquely hyper-chilled to enhance flavor. Warning: craving guaranteed!

I regularly shop at your store and would love to find the assortment of Tru Fru Hyper-Chilled products in your frozen fruit and ice cream isles.

For questions please contact Tru Fru directly at info@trufru.com or 1-888-437-2497.
